

CHAPTER 5

AN ACT

HB 3601

[2013 Special Session]

Relating to taxation; creating new provisions; amending ORS 315.266, 316.085, 316.695, 317.061, 317.283, 317.635, 317.853, 318.074, 323.030, 323.455 and 323.505; prescribing an effective date; and providing for revenue raising that requires approval by a three-fifths majority.

Be It Enacted by the People of the State of Oregon:

SECTION 1. ORS 317.061, as amended by section 9, chapter 745, Oregon Laws 2009, is amended to read:

317.061. The rate of the tax imposed by and computed under this chapter is:

(1) Six and six-tenths percent of the first [*\$10 million*] **\$1 million** of taxable income, or fraction thereof; and

(2) Seven and six-tenths percent of any amount of taxable income in excess of [*\$10 million*] **\$1 million**.

SECTION 2. ORS 316.085 is amended to read:

316.085. (1)(a) There shall be allowed a personal exemption credit against taxes otherwise due under this chapter. The credit shall equal \$90 multiplied by the number of personal exemptions allowed under section 151 of the Internal Revenue Code.

(b) In the case of an individual with respect to whom a credit under paragraph (a) of this subsection is allowable to another taxpayer for a taxable year beginning in the calendar year in which the individual's taxable year begins, the credit amount applicable to such individual for such individual's taxable year is zero.

(2)(a) A nonresident shall be allowed the credit provided under subsection (1) of this section computed in the same manner and subject to the same limitations as the credit allowed to a resident of this state. However, the credit shall be prorated using the proportion provided in ORS 316.117.

(b) If a change in the taxable year of a taxpayer occurs as described in ORS 314.085, or if the Department of Revenue terminates the taxpayer's taxable year under ORS 314.440, the credit allowed by this section shall be prorated or computed in a manner consistent with ORS 314.085.

(c) If a change in the status of a taxpayer from resident to nonresident or from nonresident to resident occurs, the credit allowed by this section shall be determined in a manner consistent with ORS 316.117.

(3) The Department of Revenue shall recompute the dollar amount of the personal exemption credit allowed for state personal income tax purposes. The computation shall be as follows:

(a) Divide the monthly averaged U.S. City Average Consumer Price Index for the 12 consecutive months ending August 31 of the prior calendar year

by the monthly averaged index for the first six months of 1986.

(b) Recompute the dollar amount of the personal exemption credit by multiplying \$90 by the appropriate indexing factor determined as provided in paragraph (a) of this subsection. Round off the amount obtained under this paragraph to the nearest \$1.

(4) As used in this section, "U.S. City Average Consumer Price Index" means the U.S. City Average Consumer Price Index for All Urban Consumers (All Items) as published by the Bureau of Labor Statistics of the United States Department of Labor.

(5) Notwithstanding subsections (1) to (3) of this section, **a taxpayer may not claim the personal exemption credit otherwise allowed under this section if [a] the taxpayer's federal adjusted gross income for the tax year exceeds \$200,000 for joint return filers, a surviving spouse or a head of household, or \$100,000 for an individual who is not a married individual and is not a surviving spouse, or is a married individual who files a separate return. [the threshold amount, the exemption amount shall be the greater of:]**

[(a) Thirty-three percent of the amount computed in subsection (3) of this section; or]

[(b) The amount computed in subsection (3) of this section reduced by:]

[(A) Two percentage points for each \$2,500 (or fraction thereof) by which the taxpayer's federal adjusted gross income exceeds the threshold amount; or]

[(B) Two percentage points for each \$1,250 (or fraction thereof) by which the taxpayer's federal adjusted gross income exceeds the threshold amount, if the taxpayer is married but filing separately.]

[(6) As used in this section, "threshold amount" means:]

[(a) \$234,600 in the case of a joint return or a surviving spouse.]

[(b) \$195,500 in the case of a head of a household.]

[(c) \$156,400 in the case of an individual who is not a married individual and is not a surviving spouse.]

[(d) \$117,300 in the case of a married individual filing a separate return.]

[(7) The Department of Revenue shall adjust the threshold amounts in subsection (6) of this section according to the cost-of-living adjustment for the calendar year. The department shall annually recompute the threshold amounts for the current tax year by multiplying each dollar amount by the percentage (if any) by which the monthly averaged U.S. City Average Consumer Price Index for the 12 consecutive months ending August 31 of the prior calendar year exceeds the monthly averaged U.S. City Average Consumer Price Index for the 12 consecutive months ending August 31, 2006.]

[(8) If a threshold amount computed under subsections (6) and (7) of this section is not a multiple of \$50, the amount shall be rounded to the next lower multiple of \$50.]

SECTION 3. Section 4 of this 2013 special session Act is added to and made a part of ORS chapter 316.

SECTION 4. (1)(a) In addition to the other modifications to federal taxable income contained in this chapter, there shall be subtracted from federal taxable income the amount paid for medical care of an individual and not compensated for by insurance or otherwise, as described in section 213(a) of the Internal Revenue Code, if the individual meets the age requirement for the tax year under subsection (2) of this section. The amount subtracted under this section may not exceed:

(A) \$3,600 for a joint return if both spouses meet the age requirement for the tax year under subsection (2) of this section, with no more than \$1,800 attributable to the medical care of either spouse;

(B) \$1,800 for a joint return if only one spouse meets the age requirement for the tax year under subsection (2) of this section, with no more than \$1,800 attributable to the medical care of that spouse; or

(C) \$1,800 for each individual filing a return who meets the age requirement for the tax year under subsection (2) of this section, with no more than \$1,800 attributable to the medical care of that individual.

(b) The subtraction under this section may not include amounts that have previously been deducted in the calculation of Oregon taxable income.

(2) The subtraction under this section is available only if the individual has attained the following age before the close of the tax year:

(a) For tax years beginning on or after January 1, 2013, and before January 1, 2014, an individual must attain 62 years of age before the close of the tax year.

(b) For tax years beginning on or after January 1, 2014, and before January 1, 2016, an individual must attain 63 years of age before the close of the tax year.

(c) For tax years beginning on or after January 1, 2016, and before January 1, 2018, an individual must attain 64 years of age before the close of the tax year.

(d) For tax years beginning on or after January 1, 2018, and before January 1, 2020, an individual must attain 65 years of age before the close of the tax year.

(e) For tax years beginning on or after January 1, 2020, an individual must attain 66 years of age before the close of the tax year.

(3) Notwithstanding the amount calculated under subsection (1) of this section, the maximum amount allowed for a subtraction under this section may not exceed:

(a) \$1,400 per individual, if the federal adjusted gross income of the taxpayer for the tax year is \$50,000 or more and less than \$100,000 for

a taxpayer who files a return jointly, as a head of household or as a surviving spouse, or for all other taxpayers, \$25,000 or more and less than \$50,000.

(b) \$1,000 per individual, if the federal adjusted gross income of the taxpayer for the tax year is \$100,000 or more and less than \$200,000 for a taxpayer who files a return jointly, as a head of household or as a surviving spouse, or for all other taxpayers, \$50,000 or more and less than \$100,000.

(4) A subtraction may not be claimed under this section if the federal adjusted gross income of the taxpayer for the tax year exceeds:

(a) \$200,000 for joint return filers, a surviving spouse or a head of household; or

(b) \$100,000 for an individual who is not a married individual and is not a surviving spouse, or is a married individual who files a separate return.

SECTION 5. ORS 316.695, as amended by section 4, chapter 750, Oregon Laws 2013, is amended to read:

316.695. (1) In addition to the modifications to federal taxable income contained in this chapter, there shall be added to or subtracted from federal taxable income:

(a) If, in computing federal income tax for a tax year, the taxpayer deducted itemized deductions, as defined in section 63(d) of the Internal Revenue Code, the taxpayer shall add the amount of itemized deductions deducted (the itemized deductions less an amount, if any, by which the itemized deductions are reduced under section 68 of the Internal Revenue Code).

(b) If, in computing federal income tax for a tax year, the taxpayer deducted the standard deduction, as defined in section 63(c) of the Internal Revenue Code, the taxpayer shall add the amount of the standard deduction deducted.

(c)(A) From federal taxable income there shall be subtracted the larger of (i) the taxpayer's itemized deductions or (ii) a standard deduction. Except as provided in subsection (8) of this section, for purposes of this subparagraph, "standard deduction" means the sum of the basic standard deduction and the additional standard deduction.

(B) For purposes of subparagraph (A) of this paragraph, the basic standard deduction is:

(i) \$3,280, in the case of joint return filers or a surviving spouse;

(ii) \$1,640, in the case of an individual who is not a married individual and is not a surviving spouse;

(iii) \$1,640, in the case of a married individual who files a separate return; or

(iv) \$2,640, in the case of a head of household.

(C)(i) For purposes of subparagraph (A) of this paragraph for tax years beginning on or after January 1, 2003, the Department of Revenue shall annually recompute the basic standard deduction for each category of return filer listed under subparagraph (B) of this paragraph. The basic standard deduction

shall be computed by dividing the monthly averaged U.S. City Average Consumer Price Index for the 12 consecutive months ending August 31 of the prior calendar year by the average U.S. City Average Consumer Price Index for the second quarter of 2002, then multiplying that quotient by the amount listed under subparagraph (B) of this paragraph for each category of return filer.

(ii) If any change in the maximum household income determined under this subparagraph is not a multiple of \$5, the increase shall be rounded to the next lower multiple of \$5.

(iii) As used in this subparagraph, "U.S. City Average Consumer Price Index" means the U.S. City Average Consumer Price Index for All Urban Consumers (All Items) as published by the Bureau of Labor Statistics of the United States Department of Labor.

(D) For purposes of subparagraph (A) of this paragraph, the additional standard deduction is the sum of each additional amount to which the taxpayer is entitled under subsection (7) of this section.

(E) As used in subparagraph (B) of this paragraph, "surviving spouse" and "head of household" have the meaning given those terms in section 2 of the Internal Revenue Code.

(F) In the case of the following, the standard deduction referred to in subparagraph (A) of this paragraph shall be zero:

(i) A husband or wife filing a separate return where the other spouse has claimed itemized deductions under subparagraph (A) of this paragraph;

(ii) A nonresident alien individual;

(iii) An individual making a return for a period of less than 12 months on account of a change in the individual's annual accounting period;

(iv) An estate or trust;

(v) A common trust fund; or

(vi) A partnership.

(d) For the purposes of paragraph (c)(A) of this subsection, the taxpayer's itemized deductions are the *[sum of:]*

[A)] amount of the taxpayer's itemized deductions as defined in section 63(d) of the Internal Revenue Code (reduced, if applicable, as described under section 68 of the Internal Revenue Code) minus the deduction for Oregon income tax (reduced, if applicable, by the proportion that the reduction in federal itemized deductions resulting from section 68 of the Internal Revenue Code bears to the amount of federal itemized deductions as defined for purposes of section 68 of the Internal Revenue Code).]; and]

[(B) The amount paid for medical care of the taxpayer during the tax year and not compensated for by insurance or otherwise, as described in section 213(a) of the Internal Revenue Code, not to exceed seven and one-half percent of the federal adjusted gross income of the taxpayer, if the taxpayer or the taxpayer's spouse has attained 62 years of age before the close of the tax year and if the amount is attributable to medical care of a taxpayer who has attained 62 years of age before the close of the tax year.]

(2)(a) There shall be subtracted from federal taxable income any portion of the distribution of a pension, profit-sharing, stock bonus or other retirement plan, representing that portion of contributions which were taxed by the State of Oregon but not taxed by the federal government under laws in effect for tax years beginning prior to January 1, 1969, or for any subsequent year in which the amount that was contributed to the plan under the Internal Revenue Code was greater than the amount allowed under this chapter.

(b) Interest or other earnings on any excess contributions of a pension, profit-sharing, stock bonus or other retirement plan not permitted to be deducted under paragraph (a) of this subsection may not be added to federal taxable income in the year earned by the plan and may not be subtracted from federal taxable income in the year received by the taxpayer.

(3)(a) Except as provided in subsection (4) of this section, there shall be added to federal taxable income the amount of any federal income taxes in excess of the amount provided in paragraphs (b) to (d) of this subsection, accrued by the taxpayer during the tax year as described in ORS 316.685, less the amount of any refund of federal taxes previously accrued for which a tax benefit was received.

(b) The limits applicable to this subsection are:

(A) \$5,500, if the federal adjusted gross income of the taxpayer for the tax year is less than \$125,000, or, if reported on a joint return, less than \$250,000.

(B) \$4,400, if the federal adjusted gross income of the taxpayer for the tax year is \$125,000 or more and less than \$130,000, or, if reported on a joint return, \$250,000 or more and less than \$260,000.

(C) \$3,300, if the federal adjusted gross income of the taxpayer for the tax year is \$130,000 or more and less than \$135,000, or, if reported on a joint return, \$260,000 or more and less than \$270,000.

(D) \$2,200, if the federal adjusted gross income of the taxpayer for the tax year is \$135,000 or more and less than \$140,000, or, if reported on a joint return, \$270,000 or more and less than \$280,000.

(E) \$1,100, if the federal adjusted gross income of the taxpayer for the tax year is \$140,000 or more and less than \$145,000, or, if reported on a joint return, \$280,000 or more and less than \$290,000.

(c) If the federal adjusted gross income of the taxpayer is \$145,000 or more for the tax year, or, if reported on a joint return, \$290,000 or more, the limit is zero and the taxpayer is not allowed a subtraction for federal income taxes under ORS 316.680 (1) for the tax year.

(d) In the case of a husband and wife filing separate tax returns, the amount added shall be in the amount of any federal income taxes in excess of 50 percent of the amount provided for individual taxpayers under paragraphs (a) to (c) of this subsection, less the amount of any refund of federal taxes previously accrued for which a tax benefit was received.

(e) For purposes of this subsection, the limits applicable to a joint return shall apply to a head of

household or a surviving spouse, as defined in section 2(a) and (b) of the Internal Revenue Code.

(f)(A) For a calendar year beginning on or after January 1, 2008, the Department of Revenue shall make a cost-of-living adjustment to the federal income tax threshold amounts described in paragraphs (b) and (d) of this subsection.

(B) The cost-of-living adjustment for a calendar year is the percentage by which the monthly averaged U.S. City Average Consumer Price Index for the 12 consecutive months ending August 31 of the prior calendar year exceeds the monthly averaged index for the period beginning September 1, 2005, and ending August 31, 2006.

(C) As used in this paragraph, "U.S. City Average Consumer Price Index" means the U.S. City Average Consumer Price Index for All Urban Consumers (All Items) as published by the Bureau of Labor Statistics of the United States Department of Labor.

(D) If any adjustment determined under subparagraph (B) of this paragraph is not a multiple of \$50, the adjustment shall be rounded to the next lower multiple of \$50.

(E) The adjustment shall apply to all tax years beginning in the calendar year for which the adjustment is made.

(4)(a) In addition to the adjustments required by ORS 316.130, a full-year nonresident individual shall add to taxable income a proportion of any accrued federal income taxes as computed under ORS 316.685 in excess of the amount provided in subsection (3) of this section in the proportion provided in ORS 316.117.

(b) In the case of a husband and wife filing separate tax returns, the amount added under this subsection shall be computed in a manner consistent with the computation of the amount to be added in the case of a husband and wife filing separate returns under subsection (3) of this section. The method of computation shall be determined by the Department of Revenue by rule.

(5) Subsections (3)(d) and (4)(b) of this section shall not apply to married individuals living apart as defined in section 7703(b) of the Internal Revenue Code.

(6)(a) For tax years beginning on or after January 1, 1981, and prior to January 1, 1983, income or loss taken into account in determining federal taxable income by a shareholder of an S corporation pursuant to sections 1373 to 1375 of the Internal Revenue Code shall be adjusted for purposes of determining Oregon taxable income, to the extent that as income or loss of the S corporation, they were required to be adjusted under the provisions of ORS chapter 317.

(b) For tax years beginning on or after January 1, 1983, items of income, loss or deduction taken into account in determining federal taxable income by a shareholder of an S corporation pursuant to sections 1366 to 1368 of the Internal Revenue Code shall be adjusted for purposes of determining Oregon taxable income, to the extent that as items of income, loss

or deduction of the shareholder the items are required to be adjusted under the provisions of this chapter.

(c) The tax years referred to in paragraphs (a) and (b) of this subsection are those of the S corporation.

(d) As used in paragraph (a) of this subsection, an S corporation refers to an electing small business corporation.

(7)(a) The taxpayer shall be entitled to an additional amount, as referred to in subsection (1)(c)(A) and (D) of this section, of \$1,000:

(A) For the taxpayer if the taxpayer has attained age 65 before the close of the taxpayer's tax year; and

(B) For the spouse of the taxpayer if the spouse has attained age 65 before the close of the tax year and an additional exemption is allowable to the taxpayer for such spouse for federal income tax purposes under section 151(b) of the Internal Revenue Code.

(b) The taxpayer shall be entitled to an additional amount, as referred to in subsection (1)(c)(A) and (D) of this section, of \$1,000:

(A) For the taxpayer if the taxpayer is blind at the close of the tax year; and

(B) For the spouse of the taxpayer if the spouse is blind as of the close of the tax year and an additional exemption is allowable to the taxpayer for such spouse for federal income tax purposes under section 151(b) of the Internal Revenue Code. For purposes of this subparagraph, if the spouse dies during the tax year, the determination of whether such spouse is blind shall be made immediately prior to death.

(c) In the case of an individual who is not married and is not a surviving spouse, paragraphs (a) and (b) of this subsection shall be applied by substituting "\$1,200" for "\$1,000."

(d) For purposes of this subsection, an individual is blind only if the individual's central visual acuity does not exceed 20/200 in the better eye with correcting lenses, or if the individual's visual acuity is greater than 20/200 but is accompanied by a limitation in the fields of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees.

(8) In the case of an individual with respect to whom a deduction under section 151 of the Internal Revenue Code is allowable for federal income tax purposes to another taxpayer for a tax year beginning in the calendar year in which the individual's tax year begins, the basic standard deduction (referred to in subsection (1)(c)(B) of this section) applicable to such individual for such individual's tax year shall equal the lesser of:

(a) The amount allowed to the individual under section 63(c)(5) of the Internal Revenue Code for federal income tax purposes for the tax year for which the deduction is being claimed; or

(b) The amount determined under subsection (1)(c)(B) of this section.

SECTION 6. ORS 317.635 is amended to read:

317.635. (1) Except as provided in ORS 317.283, a domestic international sales corporation, commonly referred to as "DISC," as defined in section 992 of the Internal Revenue Code, shall be taxed in the manner provided for other corporations under this chapter and without regard to sections 991 to 996 of the Internal Revenue Code.

(2) **An interest charge DISC formed on or before the effective date of this 2013 special session Act is exempt from the tax imposed under ORS 317.090.**

SECTION 6a. ORS 317.283 is amended to read:

The taxpayer shall be considered to have entered directly into any transactions with third parties that are treated for federal income tax purposes as having been entered into by a related domestic international sales corporation. To satisfy the requirements of this section:

(a) No deduction shall be allowed to any taxpayer for any payment to a related domestic international sales corporation;

(3) The reduced rates allowed under subsection (2) of this section may be adjusted as provided in section 13 of this 2013 special session Act.

(4) A taxpayer shall use the subtractions, deductions or additions otherwise allowed under this chapter in the calculation of income that is taxed at the rates otherwise applicable under ORS 316.037. The only addition or subtraction allowed in the calculation of nonpassive income for which the taxpayer uses the reduced rates allowed under subsection (2) of this section shall be any depreciation adjustment directly related to the partnership or S corporation.

(5) The election under subsection (2)(b) of this section shall be irrevocable and shall be made on the taxpayer’s original return. If the taxpayer uses the reduced rates allowed under subsection (2) of this section, the calculation of income shall be substantiated on a form prescribed by the Department of Revenue and filed with the taxpayer’s tax return for the tax year or at such other time and manner as the department may prescribe by rule. A taxpayer who uses the reduced rates available under subsection (2) of this section may not join in the filing of a composite return under ORS 314.778.

(6) The rates listed in subsection (2) of this section apply to nonpassive income attributable to a partnership or S corporation only if:

(7)(a) A nonresident may apply the reduced rates allowed under subsection (2) of this section only to income earned in Oregon.

(b) A part-year resident shall calculate the tax due using the reduced rates allowed under subsection (2) of this section by first applying those rates to the taxpayer's nonpassive income that meets the requirements of subsection (6) of this section, and then multiplying that amount by the ratio of the taxpayer's nonpassive income in Oregon divided by nonpassive income from all sources.

SECTION 12. Section 11 of this 2013 special session Act applies to tax years beginning on or after January 1, 2015.

SECTION 13. (1)(a) As soon as practicable, the Legislative Revenue Officer, after consultation with the Department of Revenue, shall prepare estimates of projected use by taxpayers of the reduced rates provided in section 11 (2) of this 2013 special session Act. The estimates shall include the projected use of the reduced rates in tax years beginning on or after January 1, 2015, and before January 1, 2017, and in tax years beginning on or after January 1, 2019, and before January 1, 2021. The estimates shall express as a ratio the revenue loss anticipated as a result of the reduced rates of taxation in section 11 (2) of this 2013 special session Act, divided by projected total income in this state, for those tax years.

(b) Not later than July 1, 2018, the Legislative Revenue Officer shall report to an interim committee of the Legislative Assembly related to revenue regarding the use of the reduced rates provided in section 11 (2) of this 2013 special session Act. The report shall express as a ratio, for tax years beginning on or after January 1, 2015, and before January 1, 2017, the actual revenue loss resulting from the allowance of reduced rates of taxation provided in section 11 (2) of this 2013 special session Act divided by actual total income in this state for those tax years. If the ratio exceeds the ratio calculated under paragraph (a) of this subsection by more than 15 percent, the rates listed in section 11 (2) of this 2013 special session Act shall be proportionately adjusted to achieve a ratio of approxi-

mately 105 percent of the ratio calculated in subsection (1)(a) of this section for tax years beginning on or after January 1, 2015, and before January 1, 2017, but may in no event exceed 9.9 percent of taxable income or be reduced to less than the original rate provided in section 11 (2) of this 2013 special session Act.

(c) The adjusted rates provided under paragraph (b) of this subsection shall apply to tax years beginning on or after January 1, 2019.

(2)(a) Not later than July 1, 2022, the Legislative Revenue Officer shall report to an interim committee of the Legislative Assembly related to revenue regarding the use of the reduced rates provided in section 11 (2) of this 2013 special session Act. The report shall express as a ratio, for tax years beginning on or after January 1, 2019, and before January 1, 2021, the actual revenue loss resulting from the allowance of reduced rates of taxation provided in section 11 (2) of this 2013 special session Act divided by actual total income in this state for those tax years. If the ratio exceeds the ratio included in the estimate required under subsection (1)(a) of this section for tax years beginning on or after January 1, 2019, and before January 1, 2021, by more than 25 percent, the rates listed in section 11 (2) of this 2013 special session Act shall be proportionately adjusted to achieve a ratio of approximately 115 percent of the ratio calculated in subsection (1)(a) of this section for tax years beginning on or after January 1, 2019, and before January 1, 2021. If the ratio is less than 75 percent of the ratio included in the estimate required under subsection (1)(a) of this section for tax years beginning on or after January 1, 2019, and before January 1, 2021, the rates listed in section 11 (2) of this 2013 special session Act shall be proportionately adjusted to achieve a ratio of approximately 85 percent of the ratio calculated in subsection (1)(a) of this section for tax years beginning on or after January 1, 2019, and before January 1, 2021. The adjusted rates under this subsection may in no event exceed 9.9 percent of taxable income or be reduced to lower than the original rate provided in section 11 (2) of this 2013 special session Act.

(b) The adjusted rates provided under paragraph (a) of this subsection shall apply to tax years beginning on or after January 1, 2023.
