The board may require that a lump sum payment, or an installment schedule different than the schedules provided for in this subsection, be used to pay the vested amounts in the member’s accounts if those amounts are not adequate to generate the minimum monthly amounts specified by the rule.

(3) A member of the individual account program electing to receive installments under subsection (2) of this section must designate a beneficiary or beneficiaries. In the event the member dies before all amounts in the employee and vested employer accounts are paid, all remaining installment payments shall be made to the beneficiary or beneficiaries designated by the member.
