

CHAPTER 328

AN ACT

SB 199

Relating to advance directives; creating new provisions; amending ORS 127.505, 127.510, 127.515, 127.525, 127.532, 127.533 and 127.658 and section 29, chapter 36, Oregon Laws 2018; repealing ORS 127.534 and section 6, chapter 36, Oregon Laws 2018; and prescribing an effective date.

Be It Enacted by the People of the State of Oregon:

SECTION 1. Section 2 of this 2021 Act is added to and made a part of ORS 127.505 to 127.660.

SECTION 2. An advance directive executed by an Oregon resident or by a resident of any other state while physically present in this state must be in substantially the following form:

**OREGON ADVANCE DIRECTIVE
FOR HEALTH CARE**

- This Advance Directive form allows you to:
 - Share your values, beliefs, goals and wishes for health care if you are not able to express them yourself.
 - Name a person to make your health care decisions if you could not make them for yourself. This person is called your health care representative and they must agree to act in this role.

- Be sure to discuss your Advance Directive and your wishes with your health care representative. This will allow them to make decisions that reflect your wishes. It is recommended that you complete this entire form.

- The Oregon Advance Directive for Health Care form and Your Guide to the Oregon Advance Directive are available on the Oregon Health Authority's website.

- In sections 1, 2, 5, 6 and 7 you appoint a health care representative.

- In sections 3 and 4 you provide instructions about your care.

The Advance Directive form allows you to express your preferences for health care. It is not the same as Portable Orders for Life Sustaining Treatment (POLST) as defined in ORS 127.663. You can find more information about the POLST in Your Guide to the Oregon Advance Directive.

This form may be used in Oregon to choose a person to make health care decisions for you if you become too sick to speak for yourself or are unable to make your own medical decisions. The person is called a health care represen-

tative. If you do not have an effective health care representative appointment and you become too sick to speak for yourself, a health care representative will be appointed for you in the order of priority set forth in ORS 127.635 (2) and this person can only decide to withhold or withdraw life sustaining treatments if you meet one of the conditions set forth in ORS 127.635 (1).

This form also allows you to express your values and beliefs with respect to health care decisions and your preferences for health care.

- If you have completed an advance directive in the past, this new advance directive will replace any older directive.

- You must sign this form for it to be effective. You must also have it witnessed by two witnesses or a notary. Your appointment of a health care representative is not effective until the health care representative accepts the appointment.

- If your advance directive includes directions regarding the withdrawal of life support or tube feeding, you may revoke your advance directive at any time and in any manner that expresses your desire to revoke it.

- In all other cases, you may revoke your advance directive at any time and in any manner as long as you are capable of making medical decisions.
