

# OREGON LAWS 2005

The following tables show where the statutes enacted by the Seventy-third Oregon Legislative Assembly are compiled in the Oregon Revised Statutes.

When a section number or chapter number in the ORS column appears in parentheses following the disposition of an otherwise uncodified section, the section or sections in the left column have been compiled as notes either directly before or after that ORS section. The note may not appear in subsequent editions.

When an Oregon Laws section appears in the ORS column, refer to the appropriate comparative section table to determine if the section has been codified or appears as a note before or after an ORS section.

When an ORS number is followed by the abbreviation "Rnbrd" and a new ORS number in parentheses, it indicates that the ORS number has been renumbered.

When a chapter or section number in the ORS column appears in boldfaced type, the ORS number was assigned editorially, not by legislative action. Examples of this and explanations of other terms used in the tables are as follows:

659.100.....	Legislatively added to ORS chapter 659, editorially assigned section number 100
