

Final Report Due Upon VIRTUAL exhibit on Oregoncapitol.com (a second amended report will be needed once you have expended travel expenses for bringing the exhibit to the Capitol.)

Congratulations on your exhibit at the Oregon State Capitol! We are so happy to have helped support your exhibit and have it displayed on oregoncapitol.com. As per the sponsorship agreement we need an accounting of expenses related to the exhibit to fulfill the requirements of the sponsorship. This is the same grid as in the application packet at the start of this process. Please update the grid below to show ACTUAL EXPENSES and just check off the RECEIPTS SUBMITTED column when you have your paperwork organized.

Please submit this form by uploading it on the Reconciliation Report link on our website. If you are unable to upload documents to our website, please mail to: Oregon State Capitol, Visitor Services/EXHIBITS, 900 Court Street NE, Salem, OR 97301, or email complete package to visitor.services@oregonlegislature.gov.
