

# Visit Your Oregon State Capitol

Come to your Capitol and look around. Through the front door and across the rotunda, you'll find the information kiosk. Here, you can join a tour of the building or the tower, or get a brochure to go on your own self-guided walk.

During legislative session, observe your legislators working in committee hearings and chamber floor sessions, meet with your legislator, submit testimony in writing, or testify during a hearing.

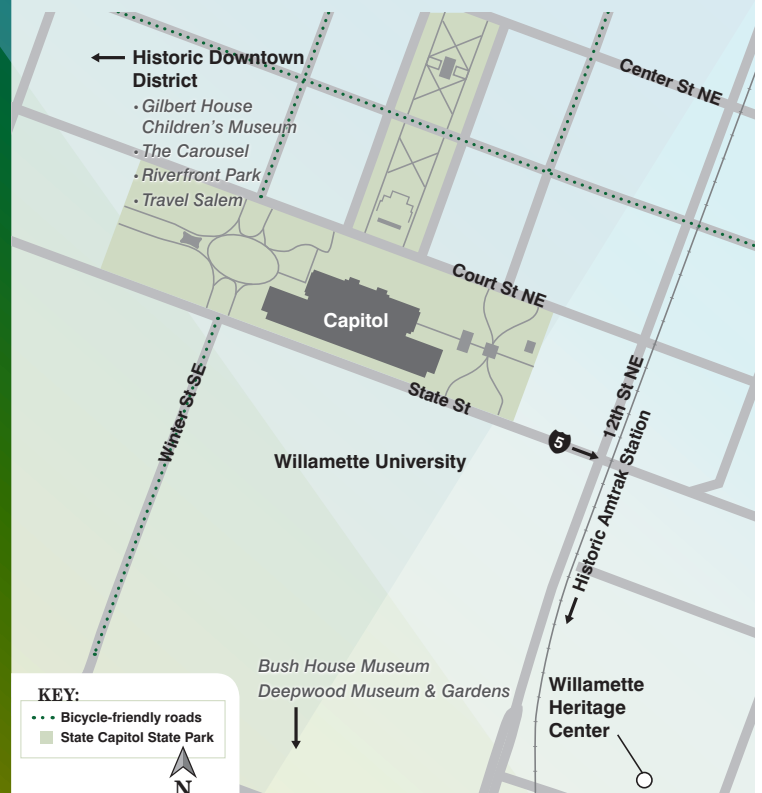

You'll find the Capitol History Gateway exhibits on the first floor. These exhibits highlight ways in which ordinary citizens have affected state legislation, and offer ideas for how you can too.

Of course, the Capitol isn't the only historical site in town. Be sure to visit the State Capitol State Park and the Willamette Heritage Center, and take the Historic Downtown Salem walking tour.

If it is your first time here we hope you leave inspired to return. **Our state needs citizens like you to continue building a stronger Oregon.**

## Hours & Tours

The Capitol is open from 8 am – 5 pm on weekdays, and on some Saturdays for special events. Visit the information kiosk to learn about guided and self-guided tours. Restrooms are located in the galleria. Don't forget to check the event calendar to learn of special events.
