

2022 OLEEO Page Programs:

House Honorary Page Programs

Both the House of Representatives and Senate Honorary Page Programs are the traditional one-day page experience. While there is no changes in the Senate program, the House program is incorporated into the Legislative Page program and while it will still offer the one-day experience, the participants will take part in that days scheduled Legislative Page events and duties.

Oregon Legislative Page Program

The Legislative Page Program will be a week-long experience for participating students focusing on the functioning of the Legislative Assembly and direct civics instruction.
