RE: Special Session Schedule, May 21-25, 2018

---

Yesterday the Governor issued a proclamation officially calling a special session of the legislative assembly for May 21, 2018 at 8 a.m. In response we have appointed the Joint Interim Committee on Sole Proprietors. The committee will meet in advance of the session on Wednesday, May 16 at 1 p.m.

A schedule has been developed to allow for the convening of the special session and the normal meeting of interim committees during legislative days. Please know that interim committees cannot introduce bills to the special session. The only committee that will hear legislation for the special session is the Joint Committee on Sole Proprietors. Its work will be limited to two bills- the Governor's proposal (LC 1) and the sine die resolution (LC 2).

The schedule below is based on rules not being suspended for the special session. If a decision is made to suspend rules and move quicker, third reading and sine die could be moved from Friday, May 25 to earlier in the week.
