Dembrow, Greenlick Convene Air Quality Workshop in Portland

(Portland) State Senator Michael Dembrow and State Representative Mitch Greenlick will convene a workshop this Friday, June 6th, to examine the link between toxic air pollution and public health risks with a focus on the Portland metro airshed. Other metro-area legislators and elected officials have been invited to join. Public testimony will be taken at 2pm.

Please see attached agenda for specifics on topics covered and presenters.

Event Details:
