Senator Drazan Responds to Governor Kotek's Call to Repeal Transportation Tax Package

SALEM, Ore. – Senator Christine Drazan (R-Canby) issued the following statement in response to Governor Tina Kotek's call for the legislature to repeal House Bill 3991, her signature transportation tax package:

"Imitation is the sincerest form of flattery, and I am flattered, but Tina has proven that she can't be trusted and that the only thing she cares about is raising more taxes," **Drazan** said. "If Tina is afraid of Oregonians voting on her gas tax this November, she's not going to like what they have to say about her leadership. What a flop."
