**HOUSE REPUBLICAN LEADER CHRISTINE DRAZAN RESPONDS TO
ANNOUNCEMENT OF FEDERAL TROOPS TO PORTLAND**

SALEM, Ore. – Today, **House Republican Leader Christine Drazan (R-Canby)** released the following statement in response to President Trump announcing the deployment of federal troops to Portland:

“The ICE facility in Portland has been subject to months of dangerously chaotic protests that have put residents and federal agents in harm’s way. The governor’s assertion that there is no national security threat and the mayor’s assertion that everything is fine is tone-deaf. It’s shameful that state and local leaders have allowed violent mobs and domestic terrorists to assault federal law enforcement, destroy property, and interfere with those seeking immigration services from obtaining assistance and case management. We need order, we need to restore safety, and Oregon’s local leaders have failed to provide it.”
