House Republican Leader Statement on Revenue Forecast

SALEM, Ore. – House Republican Leader Christine Drazan (R-Canby) released the following statement on today’s revenue forecast:

“Oregon families are hurting and have been forced to make significant budget cuts. Now the state must take reasonable actions to bring the budget in line with declining revenues. The best approach going forward is for the legislature to do all we can to support a full economic recovery for hardworking Oregon families across this state, who were disproportionately harmed by the governor’s executive shutdown orders.”
