Representative Lucetta Elmer Appointed to Oregon Business Development Commission by Speaker Rayfield

McMINNVILLE, OR – Yesterday, August 7th, Representative Lucetta Elmer (R-McMinnville) was appointed to the [Oregon Business Development Commission](#) by Speaker Rayfield. This appointment comes after serving as Vice-Chair of the House Business and Labor committee during her freshman session. In response to the appointment, Representative Lucetta Elmer (R-McMinnville) released the following statement:

“I am grateful to have been appointed to this position, which was previously filled by my esteemed colleague, Representative Bynum. Through this role, I hope to further the conversation around cultivating a business friendly environment here in Oregon. Over the last several years, I have seen far too many businesses close or relocate to other states due to the burden placed on them by undue regulations. I look forward to serving alongside the many entrepreneurially minded individuals currently presiding on the commission.”

Speaker Rayfield’s appointment was effective immediately as of August 7th.
