### **Representative Paul Evans to Host a Health Care Forum**

SALEM—Rep. Paul Evans (D-Monmouth) will moderate a forum on health care policy, Wednesday, August 22 from 6 to 8 p.m. at the Oregon School Employees Association Office, 4735 Liberty Rd. S. in South Salem.

The forum will explore a range of topics, including health care access and affordability, quality and challenges facing our health care delivery system. Joining Rep. Evans will be Dr. Kathleen Harder, MD, Dr. Ron Glaus, and Lee Mercer, a board member at Health Care for All Oregon.

“Health care is too important for partisanship or games,” Rep. Evans said. “I supported expanding access for Oregonians because it’s not only the smart thing to do – it’s the right thing to do. We have more work to accomplish, and I look forward to learning more about the challenges our community faces.”

The event is free and open to the public.
