Immediate two-year no penalty "bridge" for quarterly/state taxes	Rep. Evans
\$10,000,000 set-aside for State of Oregon absorbs Worker's Compensation payments for a three (3) months period for those businesses that can demonstrate actual/likely slowed production rates resulting from COVID-19.	Rep. Evans
\$10,000,000 set-aside for "Facilities" Grants associated with the costs of keeping the doors open - so available revenues can be used to keep workers from being laid off; (one-time, three-month scale) grants for use in paying electricity costs, fuel costs, materials costs, rent/lease/mortgage.	Rep. Evans
\$10,000,000 set-aside for three (3) month waiver of state fuel taxes for businesses (guaranteed rebates paid on monthly basis from DOR) with demonstrated links to production/manufacturing sector.	Rep. Evans
\$20,000,000 set-aside for "Depot-level maintenance" of necessary equipment and facilities; payments associated with turning workers from production to internal structures/systems enhancements to do the work that natural resources dependent industries always fail to make time or money available to do. Fund links to mitigating layoffs; finding work for the workers to do - even at distance - while the rest of the economy recovers (and coming out the other side more efficient because of the maintenance work done during the "economic coma.")	Rep. Evans
\$10,000,000 for 75% of demonstrated income for three (3) month "Smart Health Investment" grants for self-employed folks to remain as isolated as possible without losing client-base.	Rep. Evans
