Hansell Receives 2019 Committee Assignments

SALEM, Ore.— State Senator Bill Hansell (R-Athena) has received his committee assignments for the 2019 Legislative Session. He will be returning to the full budget writing Ways and Means Committee and to the Subcommittee on Transportation and Economic Development. He will also continue serving on the Senate Workforce Committee. In addition to his three previous committees, the Senator has been assigned to the Ways and Means Subcommittee on General Government.

“These committee assignments present a great opportunity to help me represent my constituents in Salem. These assignments will allow me to continue my work to build a robust and stronger Eastern Oregon economy. I look forward to working with my colleagues to enact policies that will bolster rural Oregon’s economy,” said Hansell.

Senator Hansell was first elected to the Oregon Senate in 2012 and was re-elected to a second term in 2016. Prior to his election to the Senate, he served for 30 years as a Umatilla County Commissioner.

The 2019 Legislative Session is scheduled to begin in Salem on January 22nd.
