House Majority Leader Barbara Smith Warner Statement on Legislative Coronavirus Response

SALEM, Ore. – House Majority Leader Barbara Smith Warner (D-Portland) issued the following statement on today’s coronavirus action by the Joint Emergency Board:

“We are all in this together regardless of our party or where we live. And today, not as Republicans or Democrats but as Oregonians, we took a critically important step to support frontline workers, domestic abuse survivors, and small business owners. Over the coming weeks and months, we will have an incredible amount of work to do to make sure Oregon is on the road to recovery. I look forward to continue working together to make prudent and responsible decisions that keep Oregonians safe and help our state move past this unprecedented crisis.”
