### **House Majority Leader Barbara Smith Warner Statement on September Revenue Forecast**

SALEM – Oregon House Majority Leader Barbara Smith Warner (D-Portland) issued the following statement on the release of the September revenue forecast:

“This revenue forecast is good news for Oregonians. A strong economy has allowed us to make landmark investments in the future of our state, ensuring our students have the education they deserve, our citizens have the health care they need, and our state is providing the services and programs that everyone counts on. However, we must remain vigilant as we see signs nationally of an economic slowdown on the horizon. Thanks to prudent budgeting decisions made in the last legislative session though, we are well positioned to weather any impending storms and continue to build a better future for every Oregonian.”
