June Revenue Forecast Statement from House Majority Leader Barbara Smith Warner

SALEM, Ore. – House Majority Leader Barbara Smith Warner (D-Portland) issued the following statement on the June revenue forecast released earlier today:

“These are unprecedented times for our state and nation. Across Oregon, families are suffering and people are scared about the future. In the coming weeks and months, we will do all that we can to find creative solutions to minimize impacts on the critical services that Oregonians are counting on now more than ever, including health care and education. We will do this with an eye toward equity and ensuring the resources we have are getting to the areas where they are needed most. Fortunately, thanks to prudent fiscal management over the years by Democratic leadership, Oregon is the most prepared it has ever been to weather an economic downturn. Together, we will get through this.”
