Majority Leader Jennifer Williamson Statement on the November Revenue Forecast

SALEM – Oregon House Majority Leader Jennifer Williamson (D-Portland) issued the following statement on the release of the November revenue forecast:

“This revenue forecast shows that Oregon’s economy remains strong. Still, we cannot rest on our past success. Republicans in Congress are pushing a dangerous tax bill that threatens the prosperity of middle class and working Oregonians and could dramatically alter the strength of our economy.

“No matter what happens in Washington D.C., Oregon House Democrats will remain focused on building a future where everyone has access to the best that Oregon has to offer. That means continuing to strengthen our economy, ensuring everyone has access to quality, affordable health care, and fighting for good paying jobs in every corner of Oregon.”
