House Democratic Leader Dave Hunt Reacts to New Employment Numbers

Statement by House Democratic Leader Dave Hunt on today's employment numbers:

“We’re adding an average of over 3,000 private sector jobs per month so far in 2011. That’s a clear sign our efforts over the past two years to spur the economy are working well. Now, with the passage of the Cool Schools legislation and the One-Stop Shop for small businesses (HB 3247), we’ve passed legislation that should continue to propel Oregon in the right direction for creating jobs and reducing unemployment.”
