### **Representative Lynn Findley Appointed to Oregon Senate**

Salem, Ore – Today, Representative Lynn Findley (R-Vale) was selected by County Commissioners to serve as Senator for Senate District 30, filling the seat that was left vacant by the resignation of Senator Cliff Bentz (R-Ontario). Findley has served in the Oregon House of Representatives since 2018.

“Representative Findley has been a strong advocate for rural Oregon in the House. His command of the unique issues facing border communities, increasing quality of life and advocating for good family wage jobs has been an invaluable resource,” said House Republican Leader Christine Drazan (R-Canby). “We know he will continue to serve his constituents and the state well in the Senate, and we wish him success in his new role.”

The process to appoint a new Representative for House District 60 involves two steps. First, Republican precinct committee people in the district will meet to nominate three to five candidates to replace Findley. County Commissioners from Grant, Baker, Malheur, Harney and Lake counties will then select their appointee from the pool of nominees. The appointee must live in HD 60, and have been a member of the Republican party for at least 180 days. A date has not yet been set for those meetings.
