Sen. Girod and Rep. Drazan Call on Governor to Display Bipartisanship During COVID-19 Crisis

SALEM, Ore. – Senate Republican Leader Fred Girod (R-Stayton) and House Republican Leader Christine Drazan (R-Canby) have released the following statement:

“Now is not the time for insider politics or playing favorites. Excluding the full legislative body from the draft guidelines to reopen the state is unacceptable. The executive and legislative branches and leaders from both parties in all regions of the state must work together to reopen Oregon’s economy. We can work together to reopen our state and get Oregonians back to work.”
