Statement from House GOP Leader Mike McLane on Governor Brown's intent to sign the small business tax hike

Salem, Ore. - House Republican Leader Mike McLane (R-Powell Butte) issued the following statement after Governor Kate Brown announced her intent to sign SB 1528:

"Today Governor Brown in one breath claimed the need of the state government to take hundreds of millions of dollars away from small businesses. Then, in next breath, announced a special session to champion small businesses. I guess this is the kind of political theater we can expect in an election year."
