### **Statement From House Republican Leader Mike McLane On Initiative Petition 28**

**Salem, Ore.** - House Republican Leader Mike McLane (R-Powell Butte) issued the following statement following the conclusion of today's committee hearing on Initiative Petition 28:

"Not only would this \$6 billion tax on Oregon sales result in tens of thousands of lost jobs, the regressive nature of the measure would result in working families all across Oregon experiencing significant increases in the prices of everyday goods like food and medicine.

"Come November, Oregonians will see IP 28 exactly for what it is: an ill-conceived, disingenuous measure that would have dramatic consequences for family budgets and the economic future of our state."
