### **Congressional redistricting map upheld that protects incumbents**

**SALEM, Ore.** – House Republican Leader Christine Drazan (R-Canby) released a statement following the decision from a panel of five judges to uphold the congressional redistricting map passed by Democrats.

“This gerrymandered congressional redistricting map is an incumbent protection plan that Democrats desperately fought to keep. Rather than serve the interests of Oregonians, they have served themselves. This is why we need an independent redistricting commission to take this job away from politicians.”
