Legislative redistricting map court decision upholds predetermined election results

SALEM, Ore. – House Republican Leader Christine Drazan (R-Canby) released the following statement in response to the court decision to deny petitions against the legislative redistricting map passed by House and Senate Democrats on party lines.

“This court decision approves a legislative redistricting map that predetermines election results for the next decade. Democrats have significantly reduced competition by picking which party will represent most House or Senate districts. That’s not a real choice for Oregonians. That’s gerrymandering.”
