House Republicans call for renewed commitment to collaboration following pause in legislative session

SALEM, Ore. – House Republican Leader Christine Drazan (R-Canby) released the following statement in response confirmation of a positive COVID-19 case in the capitol that has delayed session.

“At this time we are following recommended guidance to postpone today’s legislative session in the interest of member and staff health. In the meantime, we will continue ongoing conversations with Democratic leadership on the redistricting process.

It’s in the best interest of Oregonians that we salvage an opportunity to pass fair maps. They deserve fair representation despite the unexpected actions taken by the Speaker yesterday.

We need fair maps for Oregon and that’s still possible.”
