House Republican Leader Issues Statement on Supreme Court Decision

SALEM, Ore. – Today the United States Supreme Court issued its opinion in *Dobbs v. Jackson Women’s Health*. The opinion returns the power to protect the lives of the unborn back to the states. Oregon House Republican Leader Vikki Breese-Iverson (R-Prineville) issued the following statement:

“I applaud the Supreme Court’s decision to return this issue back to the states. Oregon continues to have some of the most extreme abortion laws in the country.

Abortion should be rare. I hope today’s decision starts a larger conversation in Oregon that includes educated decisions for women. I see this as a good starting place for spirited debate in the 2023 Legislative Session.”
