House Republican Leader Christine Drazan Releases Statement on Executive Order Protecting Nation's Food Supply

SALEM, Ore. – Today, House Republican Leader Christine Drazan (R-Canby) released the following statement on President Trump's executive order protecting the nation's food supply:

“We must do what we can to ensure that access to food is not limited and that the supply chain is strong. I fully support President Trump's decisive action, which protects the food supply while also taking steps to protect the health of workers. This order will keep us from seeing massive disruptions in the supply chain that provides meat and poultry to our grocery stores.”
