House Republican Leader Statement on December Economic and Revenue Forecast

Salem, ORE. – Today, House Republican Leader Christine Drazan(R-Canby) released the following statement:

“Today’s forecast shows that our state economy is stable, but this is not a reflection of reality for most Oregonians who have been impacted by these shutdowns. The most recent “freeze” will hurt Oregonians and business owners, and make an already tenuous recovery even harder for families.

Now more than ever we must protect jobs, support business growth, manage our reserves and control spending to ensure a long-term recovery for all of Oregon.”
