House Republican Leader Statement on Emergency Board

Salem, ORE. –House Republican Leader Christine Drahan (R-Canby) released a statement on actions taken by the Emergency Board:

“During a time when our state is facing record unemployment, catastrophic wildfires and ongoing uncertainty due to COVID-19, the Emergency Board took action to provide additional training for firefighters, improve support for abused and vulnerable kids through our child advocacy centers and add new positions in the Oregon Employment Department to upgrade antiquated computer systems.

Today’s work represents a strong, bipartisan commitment to help Oregonians statewide recover and move forward.”
