House Republican Leader Statement on Releasing Inmates due to COVID-19 Concerns

Salem, ORE. – Today, House Republican Leader Christine Drazan (R-Canby) released a statement on early release of inmates:

“Victim’s voices matter, and their needs and rights should be considered before any early releases are considered. We must ensure justice is served, truth in sentencing is maintained and that our counties are fully prepared and have the resources they need to properly monitor and support reentry.”
