House Republican Leader Statement on State Funding for Wildfire Victims

Salem, ORE. – Today, House Republican Leader Christine Drazan (R-Canby) released a statement on funding for the Wildfire Damage Housing Relief Program:

“Our neighbors, families and friends who have lost their homes to wildfires need our help. Today, Republicans and Democrats on the Emergency Board did just that with our allocation of \$10 million to fill gaps for costs not covered by insurance and FEMA. Oregonians who have lost everything in these fires need not only our financial support today, but our ongoing commitment to do everything in our power to help them as they work to recover and rebuild their homes and lives.”
