House Republicans Criticize Lack of Transparency and Public Access in Second Special Session of 2020

Salem, ORE. – Today, Oregon House Republican Leader Christine Drazan (R-Canby) released the following statement criticizing the lack of transparency and public access:

“We are the people’s legislature here to do the people’s business. At the end of the day our budget is balanced, but Democrats made the unprecedented decision to deny access to Oregonians, not even allowing for remote public testimony. The lack of public access to this process is unacceptable, and the people of Oregon deserve better.”
