Rep. Gary Leif Awarded ‘Legislator of the Year’ from the Associated Liquor Stores of Oregon

Salem, ORE – Over the weekend the Associated Liquor Stores of Oregon presented Representative Gary Leif (R-Roseburg) with the 2019 ‘Legislator of the Year Award’.

“As a Legislator, it is my greatest pleasure to represent my constituents, and help where I can,” said Leif. “During this last session it was my privilege to work with the OLCC Owner Agents to update their lease and operating guidelines. I am humbled and honored by this award and will continue working to ensure businesses in Oregon can thrive.”

Each year the Associated Liquor Stores of Oregon awards one legislator for their work.

“Representative Leif was committed to supporting us through session,” said Saleem Noorani, president of the Associated Liquor Stores of Oregon. “He said he would help, and he did. We appreciate all the work Representative Leif has done to make sure liquor stores in Oregon can continue to be successful small businesses.”
