**Statement from House Republican Leader Christine Drazan Opposing
Strong-Arm Intimidation Tactics**

SALEM, Ore. – House Republican Leader Christine Drazan (R-Canby) has released the following statement:

“This is just the latest example of the majority party’s strong-arm tactics designed to end negotiations. We will not be intimidated. We remain resolved to serve the hardworking families of Oregon who have asked for the abuse of power to end and for cap and trade to be referred to the people.”
