Statement From House Republican Leader Mike McLane On Same-Sex Marriage Supreme Court Decision

Salem, OR - House Republican Leader Mike McLane (R-Powell Butte) today issued the following statement in response to today's United States Supreme Court ruling regarding same-sex marriage:

"For those that believe marriage is a legal union between two people that is recognized and enforced by government, today's Supreme Court ruling is a confirmation of last summer's federal court ruling in the state of Oregon. For those that believe marriage is a religious covenant, the origin of which predates America, today's Supreme Court ruling won't change that. Our society must now embrace both views. My hope is that the process of reconciliation in America will continue as we move forward with respect for each other."
