

Update and Town Hall (June 8) Before the Final Stretch!

State Representative Alissa Keny-Guyer

Dear Friends and Neighbors,

Today marked the official end of my three policy committees! Any policy bills that did not pass out of policy committees have now died. It has been a very busy last four months; we passed 104 bills in the House Health Care Committee, 41 in House Human Services and Housing, and 79 in the House Consumer Protection and Government Efficiency Committee.

I have also had a very busy session shaping and promoting my own bills. Of the bills for which I am chief sponsor or the lead legislator, six have passed both chambers and are on their way to becoming law! Thirteen more are actively in process, so the last month will remain a crunch time until the very end. Stay tuned for more info in my next newsletter.

Furthermore, I have been actively engaged in some of the bigger issues we have tackled this session - from advocating for amendments to the I-5 expansion (Columbia River Crossing) at the start of the session, to the current push to reach a compromise on additional PERS reform and revenue in order to make much needed additional investments in K-12 and higher ed, health and human services.

During these past four months, I've appreciated input at my constituent coffees and town halls, including the Budget Road Show and the East Portland Transportation Town Hall in April. My next town hall is:

East Portland Economic Development Town Hall
Saturday, June 8, 11:30am-1:30pm
[American Legion Portland Post # 1](#)
1830 SE 122 Avenue, Portland, Oregon 97233

I will be joined by **State Treasurer** Ted Wheeler, **Multnomah County Commissioner** Dianne McKeel, **Portland Development Commission Director** Patrick Quinton, **Metro Councilors** Shirley Craddick, Bob Stacey, and Carlotta Collette, **Senators** Jackie Dingfelder (Portland), Laurie Monnes Anderson (Gresham), Rod Monroe (Portland), and Chuck Thomsen (Hood River), **Representatives** Jeff Reardon (Portland), Michael Dembrow (Portland), Shemia Fagan (Clackamas), Chris Gorsek (Troutdale), and Jessica Vega Pederson (Portland).

It's not too late to give your input before the end of this session! Whether or not you

can make it to this town hall, you can track bills on [OLIS](#) (Oregon Legislative Information System), call (503) 986-1446, email, or check out my public [Facebook](#) page. I use Facebook several times a week to update progress on bills, post articles, and answer questions, so that's my most up-to-date communication for those who want it. With just about one month to go before we adjourn, things will be moving FAST, so this is a great way to stay in touch.

Warm regards,

Alissa
