House Speaker Tina Kotek on the progress of the Student Success Act

Oregon House Speaker Tina Kotek on Thursday issued the following statement on next steps of proposed investments in the Student Success Act.

“Oregonians have been clear that they want to see accountable, new investments to help all students succeed. This investment proposal is the product of public discussions and hard work to figure out how to best support our children for generations to come. It is critical that we take advantage of the opportunity to make these investments now. Our state can’t afford to wait any longer.”
