Speaker Kotek and Leader Smith Warner praise decisions on ‘fair, legal, and constitutional’ maps

SALEM – Today, a special five-judge panel dismissed a petition against the legislatively adopted congressional maps enacted by [Senate Bill 881](#) during a September special session. This follows a Monday decision by the Oregon Supreme Court to dismiss two petitions challenging the reapportionment of Oregon's legislative districts enacted by [Senate Bill 882](#).

In response to these dismissals, Oregon House Speaker Tina Kotek and Oregon House Democratic Leader Barbara Smith Warner issued the following joint statement:

“These decisions affirm that the Legislature passed maps that are fair, legal, and constitutional. It was a tremendous challenge to complete this Constitutional duty in a very condensed timeline, and we appreciate the legislators who worked to get the job done for the people of Oregon.”
