## House Speaker Tina Kotek expresses support for eviction protections and urgent funding priorities

*The Legislature will convene Monday for a special session*

SALEM – Oregon House Speaker Tina Kotek (D-Portland) today expressed support for the [special session priority list](#) outlined by Governor Brown and released the following statement:

“We have a proposal before us to keep thousands of Oregonians from losing their housing while rental assistance is on the way. I applaud the two legislative housing chairs – Rep. Julie Fahey and Senator Kayse Jama – for their ongoing work to address this crisis. Next week, we must honor our commitment to keep Oregonians housed.”
