Statement by House Speaker Tina Kotek on Governor Kate Brown's climate action order

SALEM, Ore. – Oregon House Speaker Tina Kotek (D-Portland) issued the following statement today in support of Governor Kate Brown signing an executive order to take climate action:

“I applaud Governor Kate Brown for protecting our planet and our children’s future by taking bold action today with her executive order to combat climate change. Her order puts Oregon on a path to reduce our greenhouse gas pollution according to strong, science-based targets. I will be reviewing the executive order to see whether we need to take additional climate action in our upcoming special session.”
