House Speaker Tina Kotek on the passing of former Rep. Vic Gilliam

“Vic and I entered the Legislature together in the class of 2007, and we enjoyed serving together in the House Human Services Committee that first session. Whether it was fighting to protect seniors from abuse or trying to convince us to get behind hydrogen fuel technology, Vic always brought his charm and conviction to the table. Vic would smile at being remembered as the best-looking and funniest guy in the Legislature. Although ALS took away his physical strength, his servant heart and sense of humor never waned over the last five years. We will miss him, and my love goes out to his family in this time of transition.”
