### **Statement from House Speaker Tina Kotek on Trump Administration's Decision to End DACA**

"President Trump's decision to end the Deferred Action for Childhood Arrival Program (DACA) is a disgrace and a betrayal of America's most fundamental values. We are a better nation than one that targets hard-working young people who trusted us to help them pursue the American Dream. I urge Congress to reaffirm DACA and keep our promise. I will stand in solidarity with Oregon's DREAMERS and our immigrant communities as we work together to make Oregon a welcoming place for everyone."
