DR Johnson Truckers Light Parade

2019 was the 26th parade since it started. 50 decorated trucks made the journey from Riddle to Myrtle Creek with 15 thousand people lined up to see this parade. There were bonfires galore as we traveled through Myrtle Creek to find our location in Tri City! In past years there have been trucks decorated from Medford and Washington DC. A great way to remember a great man, DR Johnson! DR has provided hundreds of jobs for Southern Oregon....

DTO Douglas Timber Operators

Thank you to DTO, Douglas Timber Operators, for a social event to bring timber owners, operators and timber growers together for a great event at Melrose Vineyards. Thanks Matt for a great introduction and thank you members for keeping family jobs here in Douglas County. DTO is one of the oldest forestry associations in the State, formed in 1968. DTO represents over 140 manufacturing, logging, trucking and private

landowners throughout southwestern Oregon to help the public better understand the forest industry and forest-related issues...

Leadership Summit in Portland

Lots of great speakers at the Leadership Summit. Opening ceremony with Patrick Criteser President & CEO Tillamook Creamery Association and John Ricci, President Dutch Bros Coffee. All about being Business friendly and opening Trade agreements! How do we make our economy more inclusive?

Leif meets with the Jackson County Judges in a special meeting!

A big thank-you to the Jackson County Judges for meeting with me today and talking about their challenges. They have the third most criminal cases in the state. Mental health and housing are important issues to work on for them. CASA is very important to their decisions and I'm proud to be our CASA's past Chairman. Thank you to Rep. Wallan for being a part of our conversation.

Happy New Year! 2020

As always, I want to thank the hundreds of people, groups, businesses and organizations for coming to the Capitol to testify or simply to talk with legislators about priorities for their groups.

Please follow me on Facebook and Twitter to see the many people coming to the Capitol.

I also am available to meet in Roseburg on Fridays and Saturdays so that I am able to stay connected to constituents just like you!
