Summary of Emergency Board Action

September 2026

The Legislative Emergency Board met on September 10, 2026, and considered an agenda of 79 items. The Emergency Board approved five allocations from the Emergency Fund and four allocations from special purpose appropriations made to the Emergency Board. A total of $36.5 million was allocated from the Emergency Fund, and $100.4 million was allocated from special purpose appropriations. After these actions, the balance in the general purpose Emergency Fund is $45.9 million. An additional $152.2 million remains in various special purpose appropriations, including $100 million for health and human services caseload-related changes. Unused special purpose appropriations become available for any lawful use (including the original purpose) by the Emergency Board on December 1, 2026.

The agenda included 21 requests for additional 2025-27 biennium authority to spend Other Funds and Federal Funds. The Emergency Board approved expenditure limitation increases of approximately $277.8 million Other Funds and $40.8 million Federal Funds.

The Emergency Board also authorized the establishment of 46 positions (9.85 FTE). The agenda included seven agency reports, which the Emergency Board acknowledged receiving, including three on a consent agenda. The Emergency Board heard 44 requests for the submission of federal grant applications, 39 of which were approved on consent.

The following is a summary of Emergency Fund and special purpose appropriation balances, with a record of all actions available in the attached September 10, 2026, Emergency Board Certificate.
