

## Notice of Work- Exterior Marble Investigation

To: Capitol Building

From: Oregon State Capitol Renovation (OSCR) Team

Date: May 30, 2014

---

The following OSCR project team members will be working throughout the building:

- Several representatives from Pioneer Waterproofing, JE Dunn, a representative from Capitol Facility Services and Architectural Resources Group (ARG)

**Date and time of work:**

- Tuesday, June 3<sup>rd</sup>, 2014 through Friday, June 6<sup>th</sup>, 2014
- Between the hours of 7:00 a.m. and 5:00 p.m. daily

**Location of work:**

- Roof of the Senate wing

**\*\* Please see the plan below for additional information\*\***

**Work to be performed:**

- **The team will be temporarily removing 4 pieces of marble from the roof of the Senate wing to allow ARG to investigate the marble staining, anchors and connections.**
- On Tuesday, June 3<sup>rd</sup> before 8:00 a.m., 2-4 representatives from Pioneer Waterproofing and JE Dunn will install plywood and Styrofoam roof protection. These materials will be brought up to the roof using the path outlined in the diagrams below.
- On Wednesday, June 4<sup>th</sup> the team from Pioneer Waterproofing will be installing the scaffolding on the roof. The materials and equipment for this work will be brought up to the roof using the path outlined in the diagrams below.
- The marble pieces will be removed on June 4<sup>th</sup> and safely staged on Styrofoam blocks to protect the marble and roof until ARG has completed their investigation.
- The team is anticipating that investigations will be completed and the marble to be reinstalled by end of day on Friday, June 6<sup>th</sup>.

**Impacts:**

- There should be very minimal noise impacts from this work. Those working on the 4<sup>th</sup> floor of the Senate wing may hear footsteps from the work crews on the roof and possibly some cutting/ sawing sounds while the crews are removing the marble from the building.
- Those working on the 4<sup>th</sup> floor of the Senate Wing will likely see members of the team as they travel between the roof and the Capitol garage, where materials are being stored for this work. Please see the attached diagrams for more information the path they will be taking to get from the Capitol garage to the roof.
- The small Senate elevator will be padded to prevent damage from investigation materials/ equipment and a carpet mat system will be put down to prevent the team from spreading dirt and debris.

**Purpose of work:**

- This work is being done to get a better understanding of what is causing the staining on the exterior marble and potential remedies for the staining.

It is our goal to gather the above information in the most discreet method possible. Should any questions or concerns arise in the process of the work being conducted, we welcome you to contact us in Room 354 at 503.986.1190.

Thank you,

Jessica Lacasella
