Federal Passenger Rail Opportunities

- Communities can apply for competitive grants.
- Funding expires in 2026.
- Grants will require local support.

We must work together to ensure the needed local and state government support.

Let's Make It Happen!

- There is:
 - **Unprecedented federal funding** available for transportation alternatives
 - **Growing state and local interest** in rail and active transportation
 - **Climate, local economic development, and equity** pressure
 - **Existing rail, road, and urban infrastructure** available
