Subject: Vote Explanation HB 2002 C

Dear Secretary Brocker and Publications Coordinator Goulding,

Please accept this vote explanation for HB 2002 C to become a permanent entry in the journal:

In attempt to comply with [Senate Rule 13.02](#), Oregon Statute [ORS 171.134](#), and [Legislative Councils Form and Style Manual](#), I am submitting the following revised measure summary:

The bill gives people the right to make decisions about their own reproductive health. It also makes more clear ages of consent for health care services. The bill makes health insurance companies cover care and services that affirm a person's gender. It also helps providers of abortion and gender-affirming health care services be protected from court action as a result of providing health care services that are legal.

FLESCH SCORE: 60.8

Senate President Robert Wagner has also submitted these redrafted summaries in the form of the 3rd Reading Measure Digest as a floor letter in an attempt to comply with [Senate Rule 13.02](#), Oregon Statute [ORS 171.134](#), and [Legislative Councils Form and Style Manual](#).

Additionally, this revised summary has been read on the record by the bill carrier.

Thank you.

Respectfully submitted,

Senator Tim Knopp
Senate 27
